### **Program Message – Igbo Day of Art and Culture**

Welcome to the 2019 Igbo Day of Art and Culture.

Cultural events play an important role in our province, opening doors to creative expression and experience by helping residents of all ages engage, learn and grow. Culture builds community and contributes to our strong quality of life in Saskatchewan.

With an event featuring Igbo cuisine, dance and performances, this is a great opportunity to gather and celebrate. Whether you are from Nigeria, are of Igbo-Nigerian descent or appreciate experiencing new cultures, I hope you enjoy what this event has to offer.

Thank you for supporting this Igbo-Nigerian celebration. Enjoy!
