Dear Dr. Chidi Igwe,

I earnestly like to acknowledge the important contributions made by Igbo Cultural Association of Saskatchewan (ICAS) in enriching the multi-cultural landscape of Canadian traditions, as our provincial motto "From Many Peoples Strength". We thank you for bringing your culture to make Saskatchewan's Mosaic more colourful.

Also, it is the occasion of great importance in regards to the prudent ways of ICAS that reflect upon the peace spreading efforts, equally harmonious and immersive to the existing and celebrated Canadian Heritage.

Please accept my very heartfelt wishes for this day and ever after.
